

FNQ dazzles Bronze award winners

TRAVELLERS Choice members are a brave lot. On a recent trip to Far North Queensland one cuddled a croc (baby), another patted a groper (fish) and a third kissed a cane toad (almost).

In between their intrepid encounters with the wildlife, the agents - all winners of the network's Bronze Choice Awards - enjoyed some of the most stunning and luxurious experiences Australia has to offer as guests of Sunlover Holidays.

The trip included a journey on the Sunlover by Starlight catamaran to the Moore Reef Pontoon for a day exploring the Great Barrier Reef, a ride on the Kuranda Scenic Railway, and an excursion north to Cape Tribulation, stopping along the way to enjoy some of the world's oldest rainforests and take a cruise on the Daintree River.

Travellers Choice presents Choice Awards to its top 30 members, based on support for preferred partners. As well as reward trips, winners receive exclusive sales incentives and grants, which can be used towards any of the network's member services.
