Spencer Travel celebrates 20 years

MORE than 200 people marked a major milestone for Spencer Travel in Sydney last Fri night, with a gala celebration of the company's 20th anniversary.

Founder Penny Spencer welcomed staff, suppliers, clients and family to the event which featured a fabulous performance from the Boys in the Band, as well as plenty of festive pageantry courtesy of the team at Sydney's Luna Park.

The views over Sydney Harbour were spectacular, with the evening commemorating the many awards achieved by the company and its staff, Spencer Travel's uncompromising commitment to service excellence and its extraordinary growth since being established in 1998.
