

Travellers Choice says "Thank You"

TRAVELLERS Choice took some of the travel industry's leading lights to dizzying heights this week when it hosted an exclusive cocktail party at Studio Sydney Tower.

The national retail network organised the sky-high event to say "thank you" to its wide portfolio of preferred partners for the ongoing support they provide Travellers Choice and its member shareholders.

Managing Director Christian Hunter also took the opportunity to personally introduce key industry figures to new Chairman Trent Bartlett, who joined the company in Dec.
