

# Lights, camera...cuisine for Good France at Sofitel Wentworth

FOR the launch of Good France 2019, Atout France pulled out the stops for a preview screening of the French comedy movie *C'est la Vie* at the Sofitel Wentworth ballroom, which was transformed into a plush velvet-draped cinema.

Sponsored by Air France, Etihad, Scenic and MUMM Champagne, guests were treated to a foie gras tasting, a cheese buffet and a Breton pancake stand - no one was left in doubt about how French food and wine go together. Last but not least, Lancôme offered a beautiful *La Vie est Belle* perfume gift box to every guest.
