

## TOUROPA – easy as 1 – 2 – 3

**Touropa is the result of a coming together of two companies who believe in high quality – flexible touring paired with old school service.**

**SUN** Island Tours is a family owned and operated company, operating for 30 years and accredited with AFTA, CATO and ATAS.

Europamundo has grown to become Europe's most comprehensive coach tour operator, offering extensive itineraries spanning the continent from the Iberian Peninsula to Russia, as well as everything in between.

Our unique Touropa offering lets travellers choose from the largest range of tours throughout Europe, and customise it to fit with their own arrangements. Choose to start or end the tour on any day and location, or take a break during the tour and join the next departure.

When booking a circular tour (a tour which returns to its starting point), travellers can opt to begin at any point along the tour. Also, should there be a desire to spend more time exploring a particular destination, travellers can "press pause" at any point before continuing their itinerary on the next scheduled departure date.
