NOTE: We've used Chambers Dictionary to decide what words are acceptable.

## Know your brands

LOGOS are the main way that companies distinguish themselves, and some logos are so famous that you don't even need to see the company's name to know who it is. See if you can identify these four logos.

## Whose flag is this?

THIS landlocked enclave's flag follows the tried and tested design of many countries, with a simple coloured background and the country's coat of arms in the centre.

The three towers in the coat of

arms represent the three citadels of the enclave, and although it has only been in use since the 14th century, the enclave actually claims to be the oldest extant sovereign state.

Do you know whose flag this is?
