

## Where in the world?

**THIS** museum has a long title, named for its founder, but is usually just referred to by the founder's last name.

The collection housed within the museum has grown over 80 years and was based on the private collection of the founder.

It was originally housed in a more regular-looking building which was rented, but moved to this impressive structure, designed by Frank Lloyd Wright, in 1959.

Do you know where in the world this museum is?

## Whose mascot is this?

**MIKE** the Tiger is in its seventh iteration, with the first having been purchased in 1936.

A Bengal-Siberian mix, Mike used to visit his team's stadium for home games, a tradition that was stopped after animal rights concerns.

Mike lives in a 1,400m<sup>2</sup> habitat outside of his team's ground, Tiger Stadium, where he is visited by more than 100,000 fans a year.

His roar can often be heard on game day from inside the ground.

Do you know whose mascot this is?
