

## Where in the world?

**THIS** rock formation is famous, appearing on many postcards, picturesque posts and even the number plates of cars registered in its home state in the US.

The natural arch is free-standing and rises 16 metres into the air. To see the arch in person,

travellers can walk to a view point or to get closer, hike a 4.8km round trip which climbs 146m from the nearby carpark.

Can you name where this arch is located and bonus points if you know the specific name of the arch?

## Pick the nation

**COUNTRIES** have unique geography, ethnicities and cultures which come together to often form very distinctive symbols.

Based off the four different symbols and famous faces, see if you can figure out which country they represent.
