

Spectacular Antarctica

A pristine, glittering white world teeming with wildlife that is still incredibly untouched - Antarctica is simply spectacular.

BENTOURS, the Scandinavian and Polar Specialists, offer unique experiences from seeing an abundance of wildlife, stunning landscapes and the infamous crossing of the Drake Passage on the journey down to the great Southern Continent.

Follow in the wake of some of history's most daring explorers and discover the breathtaking natural scenery and ultimate adventure

playground with an Antarctic Peninsula cruise. The Peninsula is the last part of the continent to thaw and then refreeze every year and provides the perfect breeding ground for an abundance of wildlife that is protected by the Antarctic Treaty and is home to some of the world's most extraordinary species. With Bentours you can observe penguin rookeries and seal colonies as well as Orca, Humpback and Minke whales.

Antarctica is truly the world's last great wilderness and a trip to be treasured for a lifetime. Enjoy one of our many Antarctica expeditions on comfortable and well-equipped ships, designed specifically for polar waters. Bentours works with specially selected Antarctica partners to ensure

the very best polar experiences are enjoyed by our clientele. Bentours works with the *MS Fram*, *MS Amundsen*, *MV Hondius*, *MV Plancius*, *MS G Expedition*, *RCGS Resolute*, *Akademik Loffe*, *MS Hebridean Sky* and the *Greg Mortimer*.
