

We've changed the rules on European coach touring

Australia's leading Mediterranean and Middle Eastern experts, Sun Island Tours has kicked off 2020 with the launch of their revolutionary European coach-touring offer, Touropa.

A BRAND new way of coach touring which combines the convenience of escorted tours and the independence of FIT travel, Touropa has been specifically designed to provide travellers with maximum flexibility to explore and experience "Europe – your way".

With access to more than 77,000 departures around Europe annually, our unique offering lets travellers choose from the largest range of tours throughout Europe, and customise it to fit with their own arrangements. Choose to start or end the tour on any day and location, or take a break during the tour and join the next departure.

Travellers can start or stop their tour on any day or location on the itinerary. When booking a circular tour (a tour which returns to its starting point), travellers can opt to begin at any point along the tour. Also, should there be a desire to spend more time exploring a particular destination, travellers can "press pause" at any point before continuing their itinerary on the next scheduled departure date.

TOUROPA'S USER-FRIENDLY WEBSITE MAKES BOOKING EASY AS 1 - 2 - 3
