

eRoam shop and office: Your key to extra time and more sales!

Imagine bookings that took 2 hours of effort, done in just 10 minutes. Introducing eRoam Office, the revolutionary travel agent-friendly technology designed to save your valuable time. Spend less time on admin and more on wowing your customers.

Key Features:

Greater Efficiency: Instantly check costs and availability, book and confirm all services and segments in minutes. Flights, accommodation, activities, tours, transfers, car hire, and cruises from your favourite suppliers— all at your fingertips.

Client-Ready Documents: eRoam

produces client ready proposals and final itineraries instantly, including a proforma invoice, all of which can be sent directly to the clients PC or phone.

Retain Control: eRoam operates using your supplier credentials, ensuring your recognition for 100% of your commercial terms.

Affordable Pricing & NO lock in contracts: Subscription models starting from the price of your morning caffeine fix per consultant per day.

Gift of Time: Enjoy extra hours every day to catch up with friends over lunch and leave the office on time.

Intuitive & Easy: Even new consultants find eRoam intuitive, aiding recruitment and retention efforts.

Introducing eRoam Shop. Shop is your fully branded, affordable and customisable eCommerce website that opens new revenue opportunities. With eRoam Shop, you have a customer-friendly website that allows your clients to book directly with you, even while you sleep
