NCL's newly released 2026 Europe season is open for sale! Your clients can choose from more than 180 port-immersive sailings across Northern Europe, the Mediterranean, and Greek Isles on board 8 spectacular ships, including the all-new Norwegian Viva®.

With 11 unique embarkation ports offering voyages across 10 different European countries, including Helsinki (Finland) - a brand-new homeport for NCL – your clients have the opportunity to begin and end their holiday in the destination that best fulfils their European dream holiday.

In addition, many itineraries include limited or no sea days so guests can

fully immerse themselves in each destination. Select seven-to-14-day sailings also offer overnight stays in Reykjavik (Iceland), Copenhagen (Denmark), Istanbul (Turkey) and more, so guests can choose to enjoy late night dinners and nightlife on shore.

NCL will also offer a full Baltic season with seven- to 10-day sailings where guests can embark in Copenhagen (Denmark) or Helsinki, and visit a port nearly every day including towns in Norway, Germany, Poland, Lithuania, Sweden and more.

Whether your clients prefer to embark on a longer voyage with back-to-back sailings or combine a seven-

day sailing with a pre- or post-cruise land tour in cities such as Istanbul, Barcelona or Lisbon, there's an itinerary ready to be discovered.
